Song: Ravi has a Little House

Parents can sing the words to the tune of "Mary had a Little Lamb".
After each verse, there is a question.

Ravi has a little house,
Little house, little house,
Ravi has a little house,
Five feet off the ground,
When the floods came one day, he was safe and
sound.

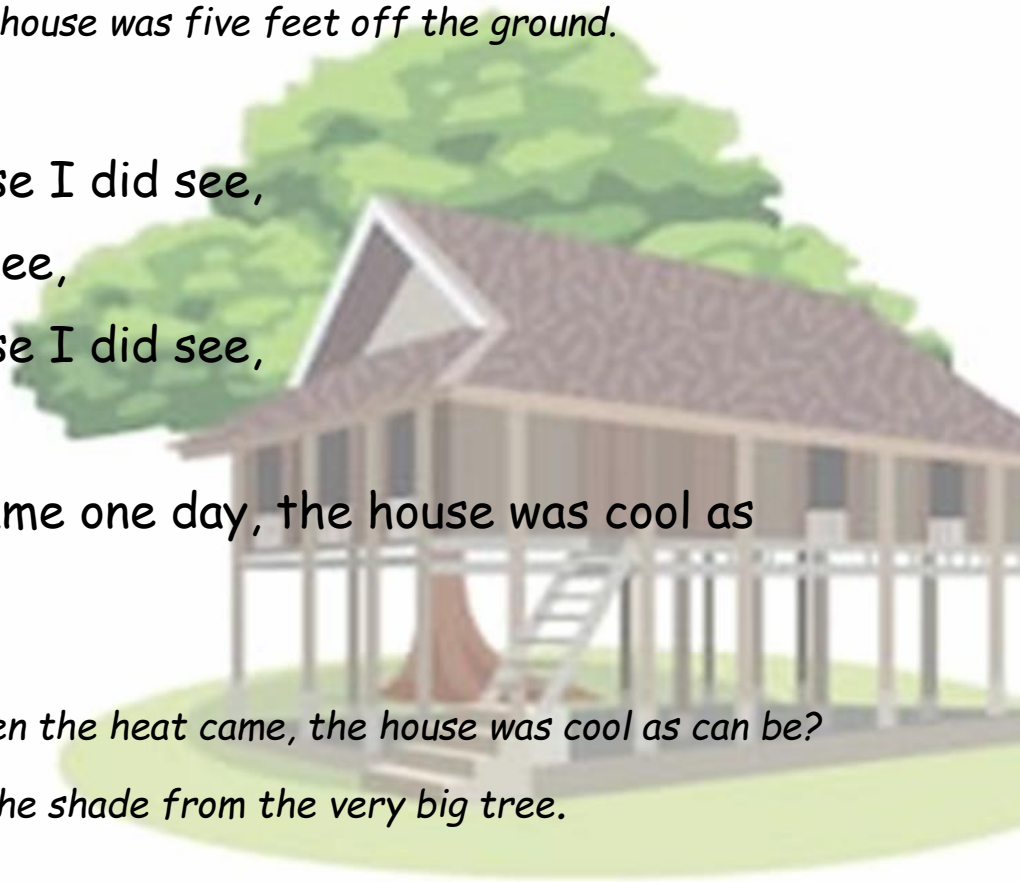

Question: So why when the floods came, was he safe and sound?

Answer: Because the house was five feet off the ground.

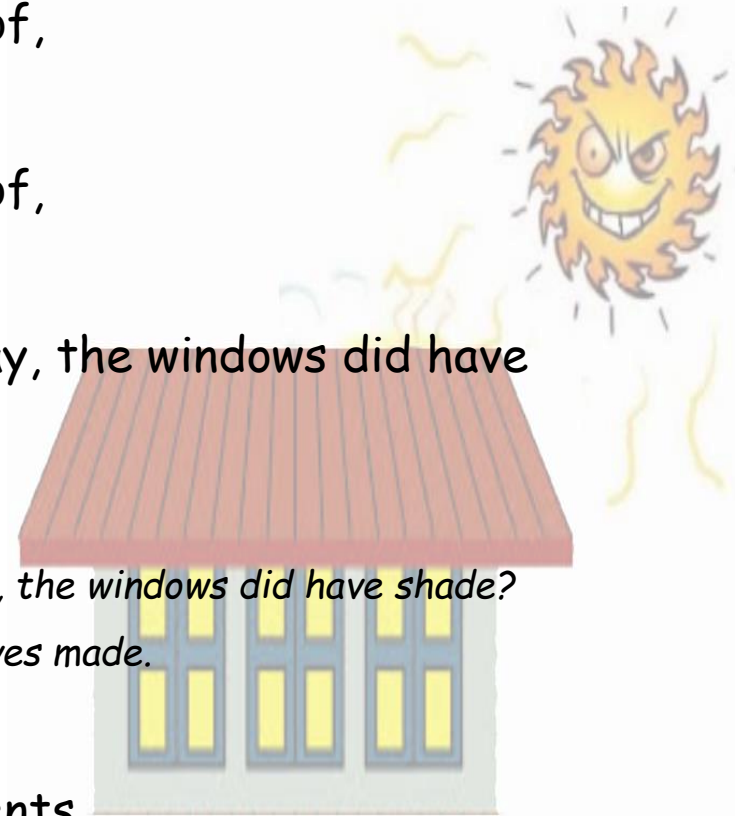

Next to the house I did see,
I did see, I did see,
Next to the house I did see,
A very big tree,
So, when heat came one day, the house was cool as
can be.

Question: So why when the heat came, the house was cool as can be?

Answer: Because of the shade from the very big tree.

The little house has a big roof,
A big roof, a big roof,
The little house has a big roof,
With very long eaves made,
So when the sun came one day, the windows did have shade.

Question: So why when the sun came, the windows did have shade?

Answer: Because of the very long eaves made.

Along the walls were many vents,
Many vents, many vents,
Along the walls were many vents,
That were very small,
So, when the wind blew one day, it greatly cooled the hall.

Question: So why when the wind came, it greatly cooled the hall?

Answer: Because of the many vents that were very small.

Ravi had a black tank,
Black tank, black tank,
Ravi had a black tank,
That was very big,

So, when the rain fell one day, he saved it to wash his pig.

Question: So why when the rain came, did he save it in the tank that was big?

Answer: To wash his stinky pig.

His little house is nice and safe,
Nice and safe, nice and safe
His little house is nice and safe,
From bad weather,

So, when too much rain or sun come one day, he doesn't bother.

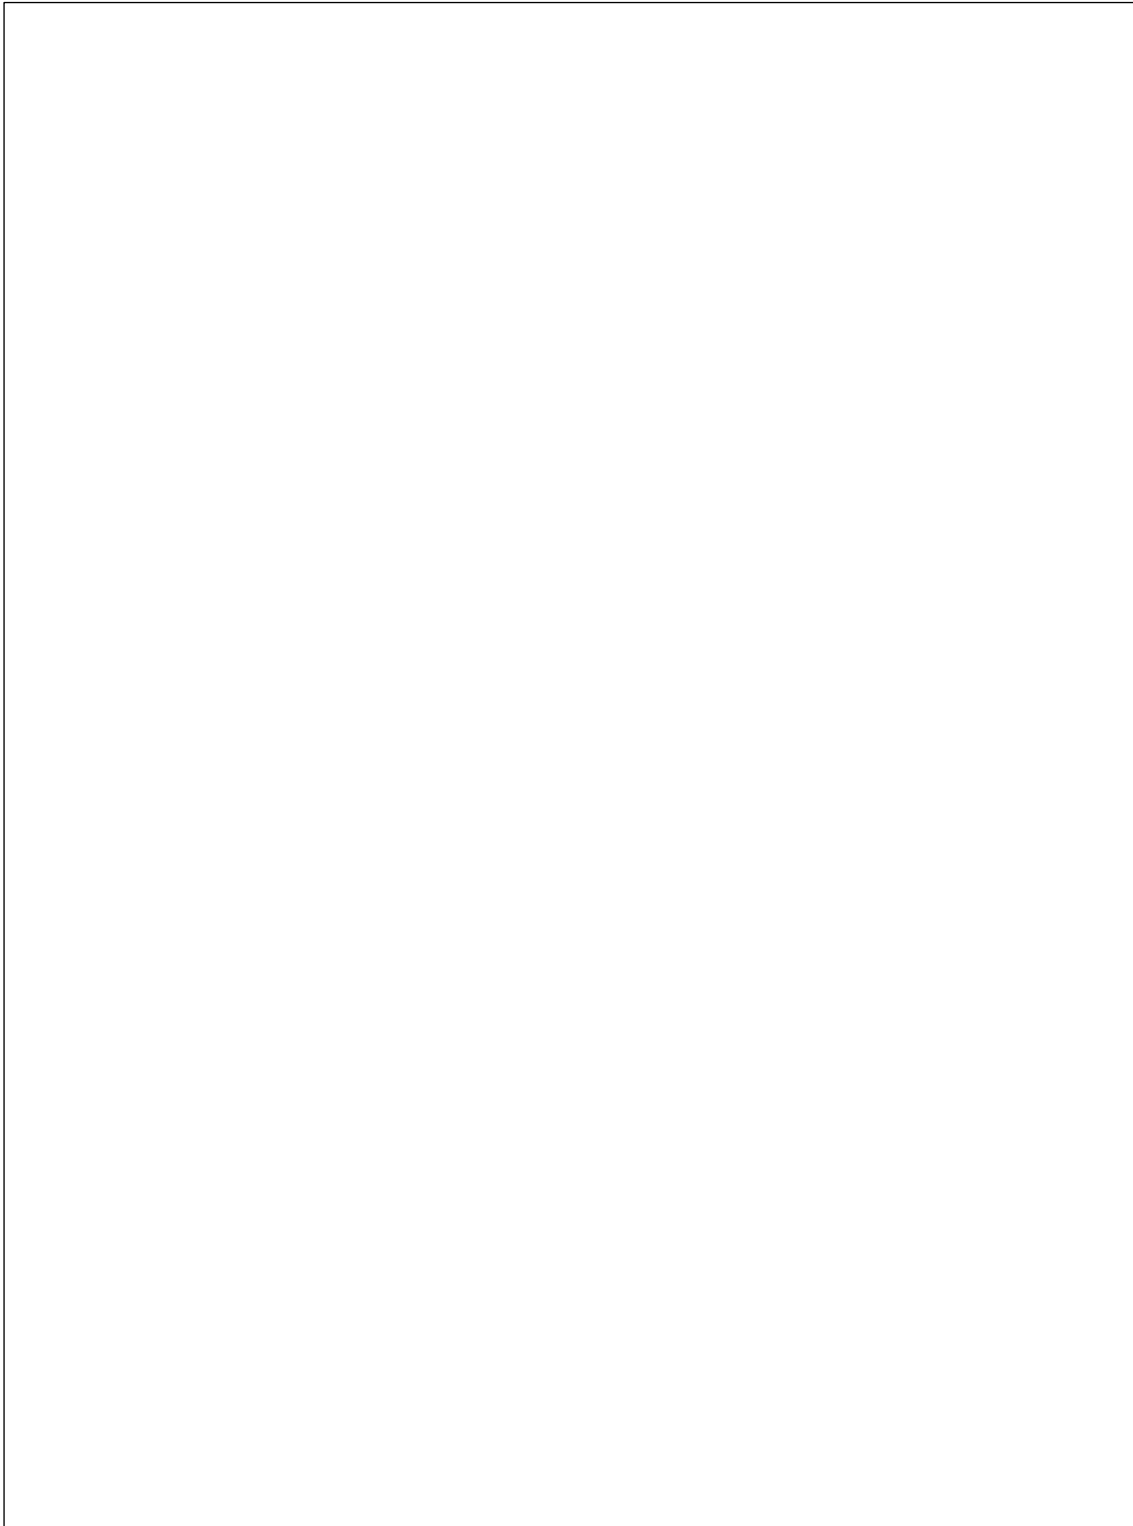

Question: So why when too much sun or rain come, he doesn't bother?

Answer: Because the house protects him from bad weather.

Remember **rainy** or **sunny** is what the **weather** is today, my dears,
But **climate** is the **weather** over many **years**.

Draw and Colour a House

It is a _____ house.

Numeral 5

Trace the numeral and number names.

5 5 5 five five five

Circle five windows.

Letter W

Colour the picture. Can you find the words than begin the "W"?

Wagon, Wall, Watermelon, Web, Wheel, Window, Wood, Waves

Trace the vowel blends

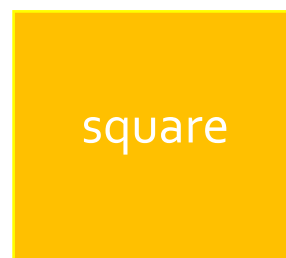

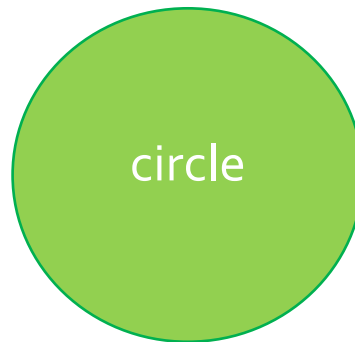

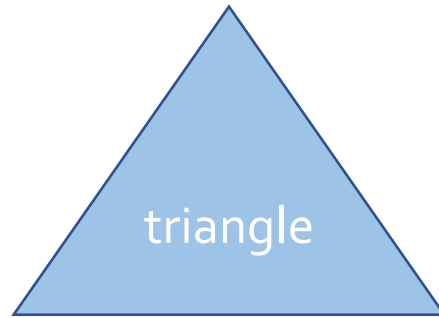

Underline the vowel blends.

CLIMATE CHANGE & MY HOME ACTIVITY BOOKLET 1 FOR JUNIORS

Wung wouldn't clean the windows and walls on Wednesday.

Shapes: Matching

Match these objects to the shapes they resemble.

rectangle

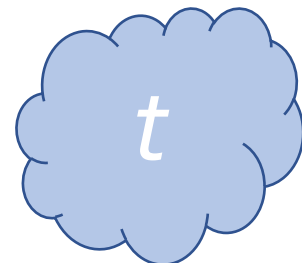

Game: I spy with my little eye

Parents can read the clues to the child. The clouds have the first letter/s of the objects.

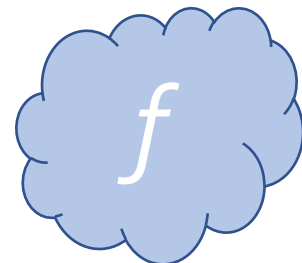

I spy with my little eye,
Something in the bathroom,
I get water from it to wash my skin.
It reminds me of the rain.

I spy with my little eye,
Something in the living room,
Its lots of fun to watch and listen.
One time I saw children playing in the sun on it.

I spy with my little eye,
Something in the bedroom,
I get breeze from it to cool me down
when I am hot.
It reminds me of the wind.

CLIMATE CHANGE & MY HOME ACTIVITY BOOKLET 1 FOR JUNIORS

All these things that I spy must be turned off when no one is using them. It will save money and the climate too.
